

## Nabhi

**Nabhi is the polyhedral collection of washbasin by Kreoo.**

**The collection is composed by 8 different shapes, freely combinable to a system of trays, shelves, easels or top studied by Kreoo,** that play with the expressivity of natural elements, such as marble, in combination with other materials and particular finishes.

**More than 350 different combinations depict Nabhi,** a perfect collection for both hospitality and residential use: every single piece of Nabhi is characterized by the balance of proportions and the dynamic lightness of workmanship. A wise mixture of shapes and functions where artisanship and technology give life to items that shine in all their beauty and exalt design purity and marble expressivity.

Refined the marbles chosen for the catalog, from the precious “Bianco Calacatta” to our national “Bianco Carrara”, from the opalescent “Onice Bianco” to the multifacets veins of “Bianco Estremoz”, through the elegant “Grigio Saint Marie” and ‘till the deep intensity of Emperador Dark and Black Marquina. And the bright tones and particular veins of the suggestive “Sodalite Blue”, “Verde Ming” and “Rosso Alicante”, colors that surprisingly enhance the manufacturing process, and the pure design shape.

**Different and precious finishes make all the model of Nabhi collection even more flexible and customizable,** through inedited processing with bright colors or precious materials such as the gold leaf, that give it new volume perspectives.
